His favorite hunting spot was at Jimmy the Backlands, a place where he spent many hours in his tree-stand. Josh was a forklift driver while employed at the Victoria Co-op Fisheries located in Bay St. Lawrence, a place where he became great friends with all his fellow coworkers. Josh was a light in all of our lives. He always had a smile on his face and would help anyone that he could.

You'll never be forgotten, that simply cannot be  
As long as I am living, I'll carry you with me  
Safely tucked within my heart your light will always shine  
A glowing ember never stilled throughout the end of time.

No matter what the future brings or what may lie ahead,  
I know that you will walk with me along the path I tread.
